

SECRETARY'S REPORT

It was great to see a good turn out for the AHGM this year and we had 40 members and friends enjoying themselves at the Annual presentation Dinner. The food and the company was excellent and I think everyone had a good night.

As you will see from the list there were a number of trophy categories that did not go off this year so check it out and see what you can do for this season. For those of you who are unfamiliar with these trophies you should know that the Southern Zone Categories are taken from points scored only on the designated Southern Zone days as listed in your calendar. The others are pretty much self explanatory. So good luck!

You will also note that there has been a few changes in the Office Bearers. Greg Flowers has taken on the position of President and John Mihalyka second Vice President with two new members on the Committee ie Ty Fulton and Ron Smith. I am sure that we will all work well together for the benefit of you and your Club.

There were many members who went out of their way to helping various capacities throughout the Yellowfin Tournament and we felt that they should be acknowledged in a tangible way. Office Bearers are not eligible. To this end your Committee decided to have a special draw for a trip for four on "Bill Collector" ... the date to be determined. Those lucky to be drawn were, in order, Ryan Capp, Jeff Smith, Jack Spilsbury, Ted Celi, Tony Monteleone, Ty Fulton, Ron Smith and Aaron Wild. The first four obviously have preference but the subsequent names will be notified if there is a withdrawal.

Please note this will be the last Tale Rope you receive if you have not filled in your membership renewal and returned with payment.
