Certainly not a lot happening at the moment although Shellharbour now also have points in both categories. I know it can be a bit disheartening but it is good to see that you still have some humour with your comments on your Nil Returns. The rules for our Interclub have been submitted for sanctioning and I will send out the entry forms as soon as we have everything in place. Please encourage your members to fish one or both of these events as your Club will be penalised for non participation and anyway, it is a great opportunity to represent your Club as well as get together with friends. We will of course be having a meeting before the NSWFA Full Council Meeting and I will let you know the date once confirmed.

Have fun and stay safe.
