SECRETARY'S REPORT

At our last meeting we invited Patrice Atkins from Bermagui Marine Rescue to speak to us about the radio courses available. This had been discussed at a number of meetings and was at the time there was a lot of interest and enthusiasm and you were notified in the last Tale Rope. Unfortunately the number of members attending the meeting was very disappointing and it was quite embarrassing.

Those of us who were there gained a lot of information and we are planing on organising a course for those interested. We will discuss this at the next meeting and see who wants to be involved. To make it worthwhile we will have to have a certain number so please give this some consideration.

While see was in Canberra we took the opportunity of seeing if her organisation would be interested in doing breakfast for our anglers at the Yellowfin Tournament. She agreed to this on their behalf and it will be served from 5am to 7am at the boat ramp which will be great. They will offer a delicious breakfast for a very reasonable price and all proceeds will go to the Bermagui Marine Rescue which we all know is a very worthy cause.

Everything else pertaining to the tournament is going really well and sanctioning has been applied for and hopefully we will receive it very soon and we will be able o get entry forms on the web and posted out.

I have again received notification from NSW Fisheries DII that some information is not being recorded on tag cards. Please make sure that you record your lat and long as well as the location. Remember also that sharks must be a minimum of 100cm to count and they need that information on the cards also otherwise they will not be recorded.

Please remember if you have juniors or small fry "measuring and releasing' Yellowtail Kingfish under 70cm to fill in a capture certificate and send on to me for points to be recorded. There will be cards available for this category as soon as NSWGFA has them printed. This is the new category agreed to at the recent GFAA conference in Adelaide.

Booking will be taken for the Bracken Bash at the next meeting

NEXT MEETING : Tuesday 2 November at 7.30pm

See you there.

**...THE
BRACKEN
BASH...**

6-7 November 2010

Bring your tent and come along for a fun weekend. The Club is supplying all the food and some soft drink so bring your own champagne, wine or beer.

We have dedicated trophies for Club members and some fun give aways. Members of Batemans Bay GFC will also be joining us in some friendly competition.

**It is a weekend dedicated to having a ball, swapping stories and maybe even catching some fish. All fish donations to the barbie will be well received. You can fish in a boat or off the beach and rocks
.....that is your decision.**

For the purpose of catering we do need to know the numbers so we are asking that you book your place enclosing a cheque for \$25.00 per person.

Send to PO Box 94, Woden, ACT 2606 or you can pay at the next meeting.

Once we have confirmed your arrival you will be refunded \$20.00 so the whole weekend will only cost \$5.00 per person.

Directions to “Bracken” are as follows...

Take the coast road past Batemans Bay marina south to McKenzies Beach just out of Malua Bay. The gate to the property is straight ahead as you turn into McKenzies Beach car park. It is a wooden gate between two large stone gate posts.

Please close the gate after you enter or leave.
